Subject: CANCELLED - June 17 Cooperating Agency Meeting

This month's Cooperating Agency meeting has been cancelled. (The Heritage sub-group will still be meeting on June 17th in room 4B beginning at 1:00.) In lieu of the meeting, please continue reviewing technical materials posted to the website in preparation for future review and comment on the DEIS. As you know, we recently announced an updated project schedule, which is an ambitious one. With that said, we hope to have Chapter 1 ready this week for your review and input.

I know I speak for many from the forest when I say thank you all for your consistent and continuing involvement in the Rosemont Copper project.

Teresa Ann is away from the office this week and next, so please direct your correspond to me during that time.

Thank you.
