Subject: CANCELLED: Rosemont Cooperating Agency Meeting
Date: Monday, February 14, 2011 3:01:09 PM

The meeting scheduled this Thursday, February 17th has been cancelled. Logistics around the groundwater modeling topic just aren't coming together like I had hoped. Several key people, including other cooperating agency representatives, either are not available or are requesting additional time to prepare their presentations. We will look to discussing this topic next time, as I know it is an important one.

Thank you for blocking out this time each month and I apologize for the late cancellation notice.
